

Call for Magazine Articles Submission Form

Washington PTAC is excited to announce we are in the process of compiling our next edition of the Government Contracting Magazine! To be rolled out on March 9, 2017 at Alliance Northwest.

The magazine will be an 80+ page, full-color magazine complete with the Alliance NW directory, and government contracting related articles written by the local, regional, and national experts. It will be utilized not only at Alliance NW, but will travel to events Washington PTAC attends and given to small businesses across Washington State. Last year Washington PTAC staff attended or hosted over 200 events with more than 15,000 attendees.

This article will include a byline of you as the author as well as your contact information and would be a great way to expose you to the Washington State government contractor community. All article ideas get processed by the Alliance NW Planning Committee, due to limited space not all articles will be accepted

We seeks topics that will meet the following objectives:

- Educate the attendees on a pertinent government contracting topic **OR**
- Introduce the attendees to a government agency or prime contractors upcoming projects and how to do business with the organization (i.e. "How to do Business with...")
- Provide the attendee with enough information so that they are more likely to find, bid, win, and perform successfully on a government contract or subcontract.

Articles that are selected will be expected to be 600-800 in length and are subject to a \$349 article fee due upon acceptance of your topic. We will need your article, a short 1-2 sentence bio, photo of author, and any additional relevant photos to be considered for inclusion in the article no later than January 25, 2017.

Proposed article title:

Author name(s), title and contact info:

Article description:

Will you be able to promote the Alliance Northwest & this publication to your network of government contractors? Please explain:

Please fill out this form as completely as possible. Send completed forms to Traci Hansen: info@washingtontptac.org
