

Event Overview: Alliance Northwest, happening on March 19 & 20, 2025, at the Greater Tacoma Convention Center, is the largest business-to-government conference in the Pacific Northwest. This event features high-quality workshops and one-on-one meetings between small businesses, government agencies, and prime contractors. Whether you're new to government contracting or looking to strengthen established relationships, Alliance Northwest offers valuable insights and connections to help your business succeed.

Who Should Attend: Businesses interested in selling to the government and prime contractors, R&D firms, engineering firms, and others working on new innovative technologies should attend. It's also ideal for prime contractors and government buyers seeking to connect with small and diverse businesses.
