WHAT ARE ATTENDEES SAYING ABOUT ALLIANCE?

I had an outstanding experience at the Alliance Northwest Conference. As the owner of Wing Walker Aerial LLC, I particularly enjoyed the excellent networking opportunities, which allowed me to connect with industry leaders, potential partners, and fellow entrepreneurs in a dynamic and collaborative environment. The sessions on government contract bidding opportunities were incredibly valuable, providing practical insights and actionable strategies that I can apply directly to growing my business.

Another great year at Alliance Northwest 2026, our team had an amazing time sharing our latest traffic safety offerings and speaking face-to-face with stakeholders and decision makers.

Advanced Government Services (AGS)

I almost let my current contracts and a crazy busy schedule keep me away, but I am so happy I decided at the last minute to head to Alliance Northwest 2026! It was honestly one of the best conferences I've been to in a long, long time. I met some amazing people and potential clients, and it was great to see several of my current coaching clients there, too. A big thanks to Cara Buckingham at APEX Accelerator for telling me about it last month.
